**Chenin Blanc**  
**Reserve**  
**2014**

Grapes from our SIP Certified Estate Vineyards on the eastside of Paso Robles created this juicy, soft, and supple Chenin Blanc. Chenin Blanc is a light footed wine with mango, pear nectar, and nectarine aromas. The wine is made in an elegant, dry style with a honey-crisp apple finish. It's a nice alternative to Chardonnay, and pairs wonderfully with food. The estate lots are bottled in limited quantities. A treat and unique wine for any cellar. Enjoy!
