Cabernet Sauvignon Whale Rock Vineyard 2013

This Cabernet Sauvignon is from our organically grown Whale Rock Vineyard on the westside of Paso Robles. Aromas are wild berry, smoked cherries, dark cocoa, and violets. The bright fruit is followed by a dense structure. Extended oak aging adds layers of vanilla chai spice and cedar box aromas. It's a broad shouldered wine, but the tannins are tamed and elegant. Enjoy with rich, hearty entrées or with your favorite dark chocolate or aged cheese. Excellent for cellar aging.

Harvest Date October 10, 2013
pH 3.76
Total Acidity 0.57 g/100ml
Alcohol 14.4%
