

CASTORO
CELLARS

East meets West Reserve Red Blend 2014

This wine is a fusion of flavors that best define the Paso Robles appellation. Note the forward fruit that is synonymous with the area's Eastside coupled with structure and spiciness from the Westside. The marrying of the wines develop this broad shouldered blend into an inviting fusion of raspberry, wild cherry, and black pepper spice aromas. Extended oak ageing provides longevity and structure with flannel soft tannins, creating an age-worthy wine. Serve with friends and enjoy!
