

# CASTORO CELLARS

## Pasofusion Reserve 2014

This deep, ruby red wine is a fusion of flavors that best define Paso Robles grapes: fruit and spice. The marrying of the 3 wines create an inviting fusion of boysenberry, black cherry, and cinnamon bread aromas. French and American oak aging tames the plentiful tannins and adds layers of complexity. The oak is evident and pleasant without being overbearing. Enjoy with friends and hearty entrees. Cheers!
