

CASTORO CELLARS

Pasofusion Reserve 2015

This deep, ruby red wine is a fusion of flavors that best define Paso Robles grapes: fruit and spice. The marrying of the wines create an inviting fusion of raspberry, dark berry, leather, and dark coffee aromas. French and American oak aging tames the plentiful tannins and adds layers of cinnamon-bread spice. The oak is evident and pleasant without being overbearing. Enjoy with friends and hearty entrees. Cheers!
