

CASTORO CELLARS

Pinot Grigio Whale Rock Estate 2013

This Pinot Grigio is from our organically farmed in our CCOF Certified Whale Rock Vineyard on the extreme west side of the Templeton Gap. This Pinot Grigio is round, but crisp and displays floral honey suckle and tangerine on the nose. The mouth is bursting with passion fruit and pineapple with a refreshing lime finish. It's always one of the first grapes picked in this vineyard and gives us a glimpse of the harvest to come. The Whale Rock wines are a special bottling by Niels and Bimmer dedicated to the enjoyment of life with friends and family, both past and present.
