## Reserve Paso Robles Petite Sirah 2013

This is a blend of our best SIP Certified vineyards of Paso Robles as a tribute to one of our favorite Rhone grapes. The aromas are plum, coffee, and rustic leather. The mouth is lush with berries and full of soft tannins aged to perfection. Oak aging frames the fruit with a complexity of baking spices and earthiness. A great wine to complement any hearty grilled entrée. You will be able to enjoy this wine for many years.
