

CASTORO
CELLARS

Syrah Reserve 2014

We believe that Syrah is the best red of the Paso Robles appellation and you will too after a glass of this! There's a high intensity of ripe berries, violets, and baking-spice aromas for instant gratification. The big fruit nose is framed by cigar box aroma from extended oak aging. The mouth feel is lush with refined, polished tannins that linger on the palate. This versatile wine will age beautifully and pairs well with anything from appetizers to heavy meat dishes.
