

CASTORO CELLARS

Syrah Reserve 2015

We believe that Syrah is the best red of the Paso Robles appellation and you will too after a glass of this! There's a high intensity of ripe berries, violets, bay leaf, and sweet cinnamon-spice aromas for instant gratification. The big fruit nose is framed by cigar box aroma from extended oak aging. The mouth feel is lush with refined, flannel-soft tannins that linger on the palate. This versatile wine will age beautifully and pairs well with anything from appetizers to heavy meat dishes.
