## 2015 CABERNET SAUVIGNON

### PASO ROBLES ♦ ESTATE GROWN

You will agree that Paso Robles is Cabernet country after enjoying this amazing wine! Our Cabernet Sauvignon is packed with wild berry, red currant, and smoked cherry aromas, with rich strawberry preserve flavors. Vanilla-chai nuances from both American and French oak frame the fruit. This broad-shouldered Cabernet Sauvignon is ready to drink now, but also has formidable aging potential. Enjoy the King of Red Wines with any hearty entrée or a selection of rich cheeses. Cheers!
