

CASTORO CELLARS

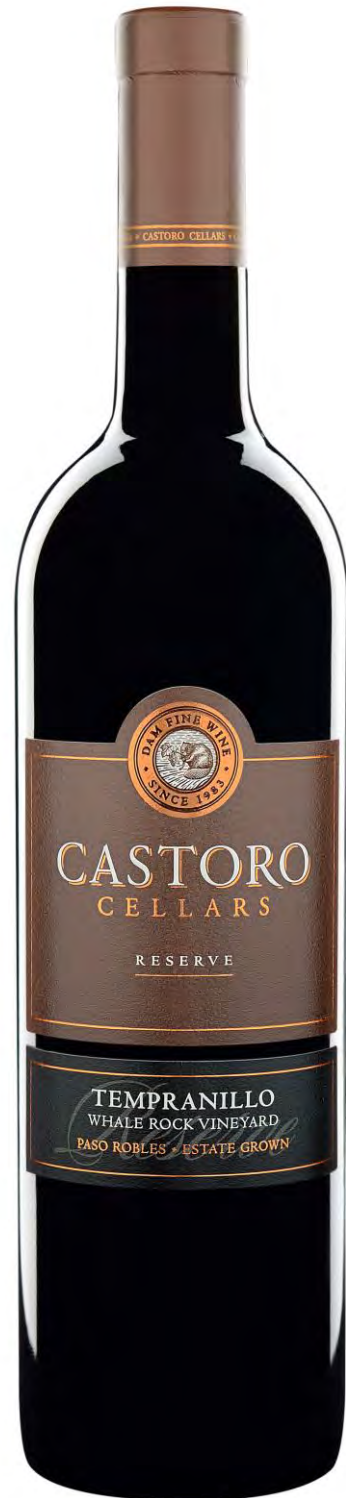

2015 TEMPRANILLO

PASO ROBLES ♦ ESTATE GROWN

Whale Rock Vineyard is a certified organic vineyard in the Templeton Gap AVA of Paso Robles. This is an awarding treat that explodes with ripe strawberries, framed by cinnamon-spiced plums, and cedar box aromas. Barrel aging for 15 months creates a supple, bright, dry-yet-fruity, medium bodied sipper, with a cherry finish. The Spaniards, known for their Tempranillo, would be jealous of this wine's finesse! Enjoy with Paella or pair with tapas and mixed grilled entrées. Cheers!

Niels and Bimmer Udsen, Owners
