

CASTORO
CELLARS

East meets West Reserve Red Blend 2015

This wine is a fusion of flavors that best define the Paso Robles appellation. Note the forward fruit that is synonymous with the area's Eastside coupled with structure and spiciness from the Westside. The marrying of the wines develop this broad shouldered blend into an inviting fusion of raspberry, wild cherry, and black licorice aromas. Extended oak aging provides longevity and structure with a mocha and black pepper finish, creating an age-worthy wine. Serve with friends and enjoy!
